

Standard-Size Spouted Pouches

Perfect Solutions for Small MOQs

Zacros America offers 4 standard-size flexible spouted pouches (Flowpack SP)¹. A spout can be inserted at the top or the corner according to your requirements. These pouches can be combined with custom-printed labels². It is an easy and fast process to adopt flexible pouches for your products.

The minimum order of our standard-size pouches is 1 case (368-460 pouches). Contact us to order samples today.

* Weight includes a spout and a cap
