

Standard-Size Spouted Pouches

Perfect Solutions for Small MOQs

Zacros America offers 5 standard-size flexible spouted pouches (Flowpack SP)¹, including recycle-ready MONOSOLUTIONS[®]. A spout can be inserted at the top or the corner. These pouches can be combined with custom-printed labels². It is an easy and fast process to adopt flexible pouches for your products.

The minimum order of our standard-size pouches is 1 case (368-460 pouches). Contact us to order flexible pouch samples today.

*250ml and 1000ml MONOSOLUTIONS[®] will be available from 2024 Q1

Flexible Pouch Sustainability Benefits

Sustainability Goes Beyond Packaging

Life cycle assessment (LCA) data shows that flexible pouch has lower overall environmental impact, including greenhouse gas (GHG) emission, fossil fuel use, water use, and resource use than alternative packaging.
